FLORIDA VOLUNTEERS—ESTIMATES.

LETTER

FROM

THE SECRETARY OF WAR,

ADDRESSED

To the Chairman of Ways and Means, accompanied by estimates of appropriation for defraying expenses of volunteers lately called into service in Florida.

APRIL 2, 1856.—Referred to the Committee of Ways and Means, and ordered to be printed.

WAR DEPARTMENT,
Washington, March 28, 1856.

SIR: I have the honor to transmit, herewith, for the consideration and action of the Committee of Ways and Means, a communication from the Adjutant General, submitting estimates from the Quartermaster, Paymaster, and Commissary Generals, of the amounts necessary to be appropriated for the pay, allowances, &c., of three mounted and three foot companies of Florida volunteers, lately called into the service of the United States for six months. The aggregate amount required is \$214,298 27.

Very respectfully, your obedient servant,

JEFF. DAVIS,
Secretary of War.

Hon. L. D. CAMPBELL,
Chairman Committee Ways and Means, Ho. of Reps.

ADJUTANT GENERAL'S OFFICE,
Washington, March 25, 1856.

SIR: I have the honor respectfully to recommend that an appropriation of \$214,298 27 be asked from Congress to defray the estimated expenses incident to the calling into service of three mounted and three foot companies of volunteers in Florida. This amount is made up of the detailed estimates furnished by the Quartermaster General, Com-

missary General of Subsistence, and Paymaster General, and which are herewith submitted.

I am, sir, very respectfully, your obedient servant,

S. COOPER, *Adjutant General.*

Hon. JEFF. DAVIS, *Secretary of War.*

QUARTERMASTER GENERAL'S OFFICE,

Washington City, March 21, 1856.

SIR: I submit an estimate, in detail, of the probable expense, through the Quartermaster's department, of a volunteer force of three mounted and three foot companies, called into the service of the United States for six months, for the suppression of Indian hostilities in Florida. Such an estimate can be nothing more than an approximation to the truth, because the expenditures must, and do, depend upon the nature of the service on which the troops may be employed, and are liable to be increased or diminished by constantly varying circumstances which cannot be foreseen. The whole amount may not be required, but it would be unsafe to estimate for less.

I have the honor to be, sir, your obedient servant,

THOMAS S. JESUP,

Quartermaster General.

HON. JEFFERSON DAVIS,

Secretary of War, Washington City.

Estimate of the probable cost of furnishing and maintaining, with quartermaster's stores and supplies, three companies of mounted and three companies of foot infantry, with the organization of mounted riflemen and infantry, in Florida, for six months.
